

Critical Incident Questionnaire*

Please take about 5 minutes to respond anonymously to each of the questions below about tonight's class. Keep one copy for yourself and put the other by the door as you leave. I'll digest the responses, report back to you next week about them, and try to make changes to respond to your responses.

1. What incident/comment/reaction/quote stands out from tonight's class?

2. At what moment did you feel most:

a. engaged with what was happening?

b. distanced from what was happening?

3. What action that anyone (teacher or student) took did you find:

a. most helpful or affirming?

b. most puzzling or confusing?"

4 (Optional). Other comments?
