Engin 103
Fall '06
Meeting #25: Nov 30, 2006

We discussed different LabVIEW applications for Project 3

Suggested items to write in the Engin 103 logbook:
        1) What applications your team is developing for Project 3?
        2) What are the elements in the Front Panels of your team's applications
        3) What are the main elements in the Block Diagrams? Attach a print-out for each.
