## **LOGBOOK: [example of a logbook page](#)**

**-Use a quadrille notebook; number all pages; date all entries**  
**-Write your notes for all activities, thoughts, problems and solutions, and learning conclusions related to Engin 103. You should write down progress, outcomes, and conclusions on projects and teamwork; conclusions from class work (including LabVIEW) and homework.**

**-In addition you should answer in the logbook all questions listed in these notes in blue, as shown below:**

**5) For each of these three teamwork elements: communication, organization, and participation, discuss if they could be observed during a team presentation you saw today. Include specific examples to support your position**

**6) Evaluate how these three teamwork elements: communication, organization, and participation are being performed in your team in Project 0. Is there anything you could do to help the team with respect to these teamwork elements?**
